**STIPULATED REQUEST FOR FURTHER EXTENSION OF TIME  
IN WHICH TO FILE A NOTICE OF OPPOSITION**

Potential Opposer, Baxter International Inc., a Delaware Corporation having a place of business at Route 120 & Wilson Road, Round Lake, IL 60073, by its attorneys, hereby respectfully requests that the Board grant an additional sixty (60) days extension of time to file a Notice of Opposition, to and including **June 29, 2003**, against the above-identified application. This request is made in accordance with Section 13 of the Trademark Act of 1946 and in compliance with Trademark Rule 2.102(c)(2).

The reason for this request is that additional time is required to permit the parties to continue their settlement discussions. Potential Opposer recently submitted a draft settlement agreement to Applicant for additional comments and approval. The parties continue working to resolve their differences, which may preclude the need for an opposition.

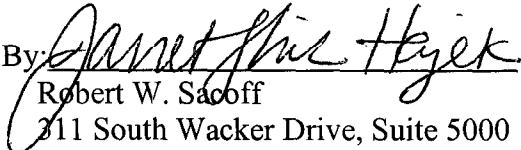

This request was discussed with and agreed to by counsel for Applicant, John Dana Hubbard, Esq., during a telephone conference with Janet Shih Hajek, Esq., undersigned counsel for Potential Opposer, on April 28, 2003.

The request is not made for the purpose of unduly delaying proceedings in the Patent and Trademark Office. Potential Opposer respectfully requests that this Request be granted.

This request is submitted in triplicate as required by 37 C.F.R. § 2.102(d).
